

548569

Damp 47 Dark microfiber  
mop, Hook & loop, 60 cm,  
Grey

The special pattern of the weave means that it is possible to use a high percentage of microfiber without compromising on efficiency and ergonomics. This mop is especially suitable for tiled and structured floors with high levels of fat and grease.

Wash the products as soon as possible after use - to reduce the risk that dirt becomes ingrained with stains and odors as result.

First wash should be done at minimum 60 ° C and separately to avoid staining

Wash cloths and mops of various types separately, to avoid contaminating each other with lint.

Pre-rinse in cold water with frequent water change, no added chemicals - in order to remove any chemicals that can have been used for cleaning and may interfere with or cause a negative impact on the fabric at higher temperatures in the washing process

Use Damp
