## Upright dustpan, 330 mm, Grey

The contact lip is designed for easy and efficient sweeping into the dustpan. The outer front surface has a raised area to prevent debris from falling out of the dustpan. The enlarged rear and side walls enable the dustpan to hold larger volumes of debris.

## **Technical Data**

GTIN-13 Number	5705022041752

New equipment should be cleaned, disinfected, sterilised and any labels removed, as appropriate to its intended use, e.g. high risk vs. low risk food production areas, general hospital areas vs. intensive care units, before use.

- 1. See Declaration of Compliance for further details on food contact
- 3. Do not store the product below 0° Celsius.
