

Vikan® Ultra Hygienic Handle

Chemical Resistant
Withstands the most aggressive
cleaning chemicals. No corrosion.

- **ROUNDED GRIP**

Rounded top for comfortable use in both push and pull cleaning situations.

- **EASY TO CLEAN**

The smooth surface and the large rounded hanging hole makes the handle easy to clean.

- **ERGONOMIC DESIGN**

According to ergonomic experts the diameter of the handle should be 30-45 mm to give the user greater force and stability.

- **COMPREHENSIVE COLOUR CODING**

Available in 9 fully colour coded bright colours for easy visual segregation and ultimate food safety.

- **ONE MATERIAL**

Produced in a food grade, reinforced and recyclable polypropylene.

- **CHEMICAL RESISTANT**

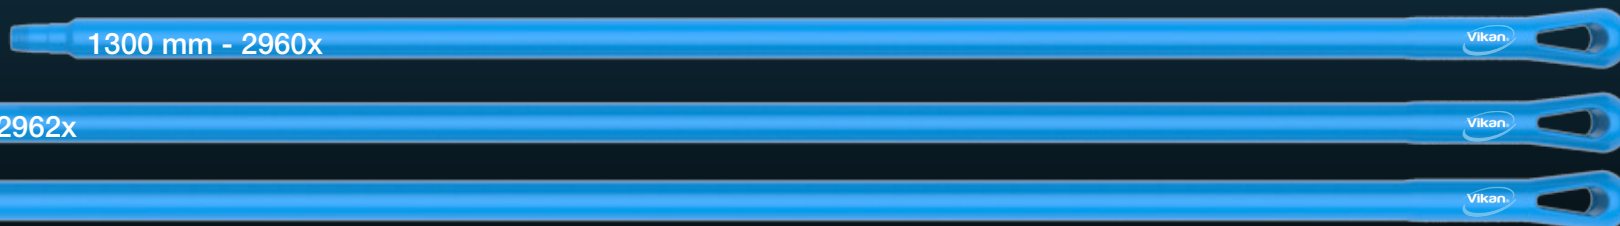

Withstands the most aggressive cleaning chemicals. No corrosion.

- **DANISH DESIGN**

Designed & manufactured in Denmark according to the European and American regulations for food contact materials.

- **VIKAN THREAD**

Designed with the durable Vikan thread, that fits securely with all Vikan brushes, squeegees and scrapers.
