

Cosmo

Cosmo white

The perfect butler

This shoe shine machine is at your service and at home wherever cleanliness lives. Its organic form is never offensive, and in a colour perfectly tailored to the furnishings, it fits in with any surroundings. But it can also be proudly displayed as an unconventional piece of inventory. Install a little luxury of your own.

- compact dimensions with high stability

Cosmo plus

The steadfast supporter

The shoe shine machine with the ergonomic handle is simply indispensable in the office. When hustle and bustle threaten to throw things out of joint, it is there to offer a firm grip. Hold on, inhale, exhale – and everything is back on track. Treat yourself to some relief in your day-to-day business.

- with bar for added comfort
- push button inside the knob
